

Your Ship is cordially invited

To participate in the

35th Annual

LONG BEACH INVITATIONAL REGATTA

To be held on the 10th day of March, 2018

at the Long Beach Sea Scout Base

5875 Appian Way, Long Beach, California

More Fun Than Humans Should Be Allowed To Have!

The *Long Beach Invitational Regatta* is designed to test your crew's skills and knowledge as well as ingenuity and teamwork in a way that is innovative and enjoyable. The events are based on those of other Sea Scout competitions and from requirements and basic knowledge in the Sea Scout Manual. But then, some are just off the wall.

As in the past, the Regatta intends to test your ingenuity and teamwork skills by presenting standard Sea Scouting events in challenging and fun new ways. Because these events are not presented in a way that you are used to, we recommend that you not spend a lot of time practicing. Just bring your imagination, creativity and good sense of humor for a day of fun, food and fellowship.

Registration opens at 0730. There will be a meeting at 0830 for all adults and Boatswains. In addition to the events, a barbecue lunch will be provided and the day will conclude with the traditional "Hell-Drill" competition and Awards Presentation

For updates, join and follow our Facebook group. A link can be found on our web site.

Pre-registration is important as it tells us how many ships and people to plan for. One year we almost ran out of food because of the unexpectedly high turnout. Pre-registration will be different this year. There will only be a Ship fee of \$10. This fee will be due **in cash** at registration on the day of the event.

Please use the registration link by clicking the "**Forms**" button on the web site to submit your ship registration before **Saturday, February 24, 2018**. (No fees due at this time)

If you plan to bring your boat: The city has informed us that we cannot put any more boats on our dock. If you want to bring your boat please call the Alamitos Bay Harbor Master at (562) 570-3215 to make docking arrangements. Otherwise, we encourage those units that are able to drive to the event to please do so.

We look forward to seeing you there.

Come for the fun!

For more information call:

Donna Bradford
(562) 425-9523

or
